Dear Children,

Vacations are synonymous with fun, frolic, getting up late in the morning, exploring new places and watching fun filled shows on television. But dear children, there is a lot more you can do to make your vacations more interesting, meaningful and full of fun.

A few guidelines for you to be more confident and self-sufficient:

**THE JOY OF READING:** Cultivate the habit of daily reading of 20-30 minutes of a self-selected book. Parents are encouraged to listen to him/her read, or share the reading.

### LEARNING BY DOING:

1. Practice packing your school bag according to the time table.
2. Keep your room clean and well organized.
3. Help your parents and grandparents with daily chores.

Parents are encouraged to assist in the following ways:

- Provide a quiet space and time for your child to complete his/her work.
- Review and discuss your child's responses. Provide positive feedback and praise for sincere effort and independence.
- Ensure that the completed work is submitted to the class teacher after the winter vacations.
